

Regular Reminders

The notification service that helps you keep track of the regularly occurring events in your life. All gathered into a daily, personalised email – just for you.

Whether it is work, rest, or play, Regular Reminders lets you know that the rent is due next week, the recycling goes out tomorrow, don't forget meat free Mondays, or your six month's dentist checkup, and your yoga classes. It even helps you to save your plants!

The system sends the user an email at a designated time which contains the reminders happening for that day; the next few days; and next week.

Add, edit, or remove reminders with just a few taps on your mobile or desktop.

Each colour-coded category makes it easy to recognise reminders straight away. These include:

- Home
- Work
- Health & Wellbeing
- Finance & Bills
- Family & Pets
- Social & Entertainment
